

HAPPY NEW YEAR 2023!

Winter Greetings,

It is hard to believe we are already two weeks into 2023. I hope everyone is doing well and may this year be your best year yet for you and yours.

Time to get back in the garden club groove and plan an exciting new year with all our garden club activities and fun.

We are going to have our first of the year, ELWD Board Meeting!

The Date: Monday, January 30, 2023

The Time: We can get in at 9:30 and meeting starts at 10:00

The Place: Bellevue Botanical Garden, Aaron Education Center

Hope the entire board is able to attend and all our clubs are represented. Presidents if you are unable to attend, please try to have someone from your club represent you. Please RSVP if you are not able to join us.

Joyce Voldal will send out minutes later from our last board meeting and some other information.

I am looking forward to seeing all of you and catching up on what your clubs are doing. We are fortunate to have our clubs and their members in our district.

Renew, Branch Out and Bloom,
Linda White,
ELWD Director
